

MIRKA

Work Station

for DE 1230 / 1242 Dust Extractor

The **Mirka Work Station** is a compact and practical storage solution designed to mount onto Mirka's 1230-series Dust Extractors. It keeps essential tools, abrasives, and accessories organized and within reach, making your workspace more efficient.

Ideal for workshops and job sites, the Mirka Work Station ensures everything you need is right where you need it.

- ✓ **Dedicated storage** for stacking Mirka Cases at the base
- ✓ **Abrasive shelf** fits up to 4 x 150mm disc boxes
- ✓ **Machine hooks** at the top for easy tool access
- ✓ **Hose storage hook** at the bottom for tidy cable management
- ✓ **Secure attachment** using the Mirka Case Fastening Accessory (SKU: 8999110411 – sold separately)
